Disclaimer:

This press release contains "forward-looking statements" – that is, statements related to future, not past, events. In this context, forward- looking statements often address our expected future business and financial performance, and often contain words such as "expects," "anticipates," "intends," "plans," "believes," "seeks," "should" or "will." Forward- looking statements by their nature address matters that are, to different degrees, uncertain. For us, uncertainties arise from the behaviour of financial and digital marketing industry, and fluctuations in exchange rates; from future integration of businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different from those expressed in our forward- looking statements. We do not undertake to update our forward- looking statements.
